1 THE SEAFARERS

Since Bartolomeu Diaz first made landfall in Mossel Bay, the area has for centuries served as a haven, a port and a trading post.

2

BUILDINGS THROUGH THE AGES

Buildings and architectural styles tell stories about people from different nationalities and cultures.

3

PETROLEUM, OIL & GAS – A GIFT FROM THE OCEAN

Find out more about the role that the oil and gas industry has played in Mossel Bay.

4

THE RAILWAY

The railway and railway-related industries played an important role in the establishment and development of Mossel Bay as a town.

6

THE OCEAN – SOURCE OF FOOD

Mossel Bay's ocean is a food basket. It has always fed our people - from the first locals and settlers right through to today.

7

THE POINT AREA

The point area, sculpted by nature, is a place for relaxation and fun.

5

PAST CONTRIBUTIONS

We salute all the town's earlier residents who played an immeasurable role in the development of Mossel Bay.

8

FLORAL KINGDOM

The Western Cape Province is hailed as one of the most botanically rich areas in the world.

9

FORCED REMOVALS – A STORY OF MEMORIES AND SADNESS

The 1950 Group Areas Act forced those who were classified as 'coloured' to move to Tarka and other areas earmarked for their specific group.

11

RELIGIOUS COMMUNITIES

The impact of religion on the development of Mossel Bay and its community is undeniable.

12

HARRY GIDDEY PARK

The making of a park for the community.
